Patapsco High School and Center for the Arts PTSA
WE NEED YOU!

The PTAP PTSA is making a comeback and we want every student to be a part of it! Our goal this year is to re-establish the PTSA as an active group in order to support and celebrate our children’s academic and service achievements.

The $ in PTSA stands for Students. This year, student membership for anyone enrolled in BCPS is just $5.00. Student members will have the same voting rights and voice as any other member.

Include Cash or Money Order for the amount you choose and fill out the information below.

Student Name #1______________________________________________________________
Address...................................................................................................................
Phone Number __________________Email __________________________________________
Grade ____________Advisory Teacher ____________________________________________________________________________________

Student Name #2______________________________________________________________
Address...................................................................................................................
Phone Number __________________Email __________________________________________
Grade ____________Advisory Teacher ____________________________________________________________________________________

If there are other students in the same family, please use the reverse side of this paper and write the same information.

Any questions, please contact tgrimes@bcps.org. Return this form and the cash or money order in an envelope to your Advisory Teacher to the attention of “Terri Grimes, PTSA Membership”.

We thank you for supporting your PTAP PTSA!
