

# Patapsco High School and Center for the Arts PTSA WE NEED YOU!

The PTAP PTSA is making a comeback and we want you to be a part of it! Our goal this year is to re-establish the PTSA as an active parent-group in order to support and celebrate our children’s academic and service achievements.

PTSA Membership is \$10.00 per member. Membership is open to parents, siblings, grandparents, teachers, staff, neighbors, aunts, uncles, community members, businesses, etc. Anyone! This is the same cost as last year.

The **S** in PTSA stands for **Students**. This year, student membership for any child enrolled in BCPS is just \$5.00. These student members will have the same voting rights and voice as any other member.

This year, we offer the ability to make a donation at the time of signup. This is being done at several other schools and is helpful for those supporters who don’t want to fundraise during the year. You are not obligated to participate in the donation program. If you choose the \$10.00 membership only dues, you will have the same voting rights and voice as any other member and we greatly appreciate your membership. Your membership with the PTAP PTSA also gets you a voice in the PTA Council of Baltimore County, Maryland PTA and National PTA advocacy efforts.
